**German**

In the German class, the students are responding well to question and answer time using the German they are learning in small group situations. They are even starting to sing along with the German songs that are used to practise the questions and answers they need to learn. They are learning that listening is very important when learning a language. The songs and activities can be found on *Languages Online* which is a Victorian government language learning website.

Section 9. Online activities 1, 2, and 3. Where do you live? (Wo wohnst du?)

Please keep this afternoon free and we will give more information as we come closer to the time.

Dear Parents and Guardians

Religious Instruction

It is a possibility that Religious Instruction may be introduced to our School in Term 2. There is still a little paperwork to finalise, but at this early stage, we are looking for families to let us know if they would be interested in their child/ren attending. As per Queensland Government Policy, Religious Instruction is only offered to students in Year 1-7.

It will be a non-denominational Religious Instruction, which means any faith or no faith are able to attend.

If we get the go ahead, Religious Instruction will take place on Friday afternoons. For students not attending Religious Instruction, the School will continue its “Buddies Program”, which we consider our values education.

Families will have the choice of their child/ren attending either Religious Instruction or Buddies.

Please let us know what program you think your child/ren will be attending. If Religious Instruction does commence, we will be sending home paperwork for your child/ren to attend or not, towards the end of Term. Please remember this is just an expression of interest and you are able to opt out or in at any stage.

Those students participating may be required to purchase a workbook.

Please don’t hesitate to contact the school if you have any queries.

Thank you.

Request for Volunteers
Friday Fruit & Veg Roster

Since 2007, the P&C has implemented and maintained a weekly ‘Fresh Fruit & Vegetable Morning Tea’ initiative. Each Friday, children share in a smorgasbord of seasonal fresh fruit and vegetables, which is prepared by parent volunteers. This task can involve several parents to purchase, cut and serve the selection of food and clean up after the morning tea.

If you’d like to help out, please contact us – details below.

School Grounds Mowing

Thank you to the families who have indicated their interest in continuing with this valuable fundraising activity.

We are still seeking interest from more families who wish to continue to volunteer their time for this task, which raises $700 per term for the P&C Association.

Please contact the executive committee (details below), if you would like to lend a hand via text or email.

Should there be limited feedback from parents, the P&C will have to cease this activity.
