Kym’s Korner

A new phone system has been installed at our school today and we now have a new number Ph 46986333. The old number will be diverted for a couple of months. Please be patient while we get used to it all. We will now have a student absence number- 46986366. Please use this to leave a message if your child is away for any reason.

Report cards will be going home tomorrow and parent interviews held on Monday. There are still some timeslots available if you have not already booked. If you are not available Monday please arrange a time on another day with your child’s teacher.

It is important that all students wear correct school uniform, even in the cooler months. Wearing uniform jumpers and tracksuit pants ensures that all year round our students are neat and tidy and wearing our school colours with pride. Winter uniforms are available from the P&C and royal blue tracksuits from local stores are also acceptable. Items of jewellery are not part of the school uniform and must be removed if worn to school. This is not only to ensure that our students are in correct school uniform but also a matter of safety. Necklaces, rings, dangly earrings, rings and bracelets are all items that could pose potential danger during sport or lunchtime games.

Our house sports carnival is next week. If your students still need house shirts they are available so please ask at the office. This year we are off to Bunkers Hill as our oval is no longer big enough to host our sports. The march past will commence at 9am followed by the running events. There will be games for the students 8 years and under while the 9 years and over compete in the field events. The P&C will be selling drinks and holding a sausage sizzle so please support them as all money raised goes to subsidise student activities. The day usually concludes around 1pm and you are free to take your kids home if you wish. Teachers will return to school and supervise any students who are not being collected until 3pm.

The Wonderful World of Wellcamp launch will be held on Friday the 27th at 2.30 after our annual Wellcamp’s got talent competition (1.30). The day will be a fundraiser for cancer so please come along to see our talented kids and make a gold coin donation at the door.

We are now accepting enrolments for 2015 so if you have younger children or know of families who do please call into the office for an enrolment pack.

Tennis Coaching at Wellcamp

Report Cards

It is not long now before the end of the first semester of school for 2014. And that means...reports cards will be coming home soon!!

Student reports often bring mixed feelings for parents. There is pleasure and pride if they are performing well but there is also considerable angst when children are not progressing as you hoped.

Reports can also mean anxious times for children. Will my parents be disappointed or proud? This is the main concern of most children. Kids of all ages take their cues from their parents, so your reaction to their school report can reflect the way they see themselves as learners and as people.

Before you open the envelope containing the report, do a little self-check to see if you are in the right frame of mind:

- **Are your expectations for your son or daughter realistic and in line with their ability?**
- **Do you believe that children learn at different rates?**
- **Are you willing to safeguard your child's self-esteem rather than deflate it?**

Michael Grose details some ideas to consider when you open your child’s report in his article ‘Reading your child’s report: the上有 partnership’.

Reading your child’s report can be found on our website and we recommend that you take the time to read it.

At Welcamp SS we understand that reports can also be confusing and that is why it is so important to arrange an interview with your son or daughter’s teacher. Often, many of your concerns can be easily cleared up when explained by the class teacher. It is also a good opportunity to form a valuable partnerships with your son or daughter’s teacher, especially if your child is experiencing difficulty.

WANTED PLEASE

Boxes and containers for science construction eg. Tissue and shoe boxes, clean icecream and marg containers, rolls for glad wrap, paper towel etc.

THANK YOU

Fire Ed

Year 1 children completed their Fire Ed training on Monday. The firemen were most impressed with their knowledge and understanding of what to do and what to expect in a fire situation.

As a reward the children were taken down to the fire truck which was sitting on the oval. Fireman Dennis showed them all the equipment kept in the truck. The children were given a chance to roll up a fire hose and open and close the Jaws of Life. Due to the cold weather, they did not get to use the fire hose but because they were such a great class, the firemen promised to bring back the truck later in the year so we can have some fun with the water.

Fireman Dennis presented certificates of achievement and then off they went with a sound of the siren and a flash of lights. See you next year!

Fantastic Friday Funday!

Friday 27th June is the last day of term.

“How sad!” I hear you say but don’t worry you’ll have no time to think about how much you’ll miss school over the holidays when you take part in “Fantastic Friday Funday” (T.M.)

Look at all the fun things you can do...

Then just when you think you’ve already had heaps of fun...No wait there’s more!

At 12.30pm the ‘Wellcamp’s Got Talent’ talent extravaganza will begin. This will be held in the Community Room. Be prepared to be amazed, delighted and amazed again. Secret guest judges will be visiting. Any parents who would like to attend can do so at the cost of only...A GOLD COIN DONATION!!.

But wait there’s still more!!!! At 2.30pm Josh Arnold will be back to launch the 2014 chartbusting hit “Wonderful World of Wellcamp”. And the entry is – you guessed it – A GOLD COIN DONATION (if you didn’t donate for Wellcamp’s Got Talent). Be there for the launch or totally miss out dude!
