Welcome back to term 3. I hope you enjoyed your winter break. This term is shaping up to be very busy. With our inter-school athletics next week students are hard at work practicing ballgames, running, jumping and throwing.

If you haven’t already please download the QSchools app for your smartphone. This app, when opened will keep you up-to-date with everything going on at school, provide a link to our newsletter and even add events to your phone’s calendar. It’s free and a real lifesaver for busy parents.

The mornings are a bit cold and dark at the moment but please make sure your children arrive at school on time. Students should be at school by 8.30. This allows them some time to play with their friends before the first bell goes at 8.40.

I have noticed some families are frequently late and this disadvantages their students. The table below provides some interesting information about how being late affects your child.

Even if your child is only late 10 minutes per day, it doesn’t seem much but …

All students are involved in excursions this term.

Our Prep to Year 2 classes will enjoy their Amaroo visit. This is planned for Wednesday, 30th July. Paperwork has gone home today. The cost will be $12 per student with the bus leaving at 8.45am and due to return by 3.00pm. Students are to wear their school uniform, school hat and sunscreen. Please bring morning tea and lunch and a refillable water bottle. Please be aware that Amaroo have a Waste Policy—“In an effort to reduce waste, please avoid pre-packaged foods. The Years 3-7 are booked in for their Camp at Columboola Environmental Education Centre from Wednesday, 13th August through to Friday, 15th August. Permission forms have gone home today. More information will go home in the near future. The School Camp is a part of our curriculum and all students in Mrs S and Mrs Cahill’s classes are encouraged to attend if possible. Those students who are unable to attend the camp will come to school as normal and be supervised in the infant classes. The cost (after heavy subsidisation from our P&C) is $100 per student.
Super Fun Friday ROCKS!!!
Exploding volcanoes, singing princesses wanting to build snowmen and crazy hair were all part of the super fun that occurred at Wellcamp during the final school day of last term. It all began with a cloud of coloured hair spray in the community room where the Year 6 and 7 girls, assisted by Renee and Rose, created masterpieces in hair of which Stefan would have been proud. The sale of lollies and chips at break time seemed to add to the excitement for some reason and the hairstyles became even wilder! Loved Felicity’s plait and colour combo as well as Isaiah’s crazy stripes! But this was only the build up for the afternoon’s entertainment.

“Wellcamp’s Got Talent” burst onto the stage after lunch demonstrating that at Wellcamp not only are we talented with our Maths and English we can also dance, sing, act and experiment in front of an audience. Bryson and Luke showed they knew everything there was to know about dispersal and liquids. Sterling gave us his all in a portrayal of a hungry duck and Kita and Annabelle sang their hearts out with a delightful door created by Dad. Judges, Mrs Missingham and Miss Dowe provided insightful comments as well as a window into their past lives as Moulin Rouge dancers and backup singers for Justin Beiber.

The day finished with a bang when “The Wonderful World of Wellcamp” was unleashed onto the public for the first time. This excellent performance from all students and teachers just gave us further proof that Wellcamp State School is a great place to be. Make sure you catch it on Youtube!

All good things have to end and so it was with “Super Fun Friday”. A big thankyou to everyone that assisted on the day and donated to “Weekend to End Women’s Cancer”. We made just over $420 through donations for free dress, crazy hair, lollies and chips and entry to the performances. Thankyou to all the supporters who turned up to witness the true talent that is Wellcamp State School!

The ground has been shifting for some time in schools as to how the behaviour of students is best managed. As behaviour theorist Bill Rogers has pointed out in his book *Behaviour management: A whole school approach*, the language of ‘discipline’ and ‘punishment’ has been replaced by the language of ‘consequence’, ‘responsible action’ and ‘relationships’ as being central to the core teaching and learning functions of a school. In previous blogs we have looked at the importance of some of this language and why it is used at Wellcamp.

Despite this ground shift, what we do know is that there are a number of basic principles that underpin effective behaviour management in any school. One of these principles involves setting and communicating clear standards of positive behaviour. The communication of behavioural standards, is a strategy directed towards all students and designed to prevent problem behaviour, to protect the rights of ourselves and others and to encourage and guide personal responsibility. At Wellcamp, we expect our students to:

- be safe
- be responsible
- be respectful.

Further, we have translated these standards into practical guidance by outlining our schoolwide expectations on how to behave in specific school settings. These expectations are described in simple terms and are designed to enable all students to learn well and to develop into mature and responsible individuals.

- Be a good listener | - Play fairly – take turns, invite others to join in and follow rules

These expectations are explicitly taught to students in behaviour lessons conducted by classroom teachers and are communicated clearly and consistently via School Assemblies, posters displayed around the school and during active supervision by staff during classroom and non-classroom activities.

As members of our school community we urge you to become familiar with these expectations and to discuss and reinforce these with your children on a regular basis.
